Interested in learning how to study more effectively and efficiently?

Consider enrolling in a NEW, no-cost, self-paced, online course:

“Powerful Strategies to Improve Learning”

Topics Covered Include:
- Better ways to make and use flash cards
- Effective two-minute recall practice
- Space your studying (cramming doesn’t work)
- How to battle procrastination
- How to take better notes
- And more!

To register please email Sarah Grace, sgrace@email.arizona.edu. For more info, see https://academicaffairs.arizona.edu/powerfullearning

Once you’re enrolled, you’ll have the opportunity to engage with other students and the instructor, share your ideas, reflect on your learning process, and get some great tips on how to study more effectively (for less time).
